

MEGT'S YOUTH INITIATIVE PROGRAM

SUPPORTING THE SMOOTH TRANSITION OF SECONDARY STUDENTS FROM SCHOOL TO EMPLOYMENT

The **Youth Initiative Program** together with **MEGT**, aims to provide job support to young exit students (up to the age of 19) into rewarding skilled employment through apprenticeships and traineeships.

Australian Apprenticeships and Traineeships are a fantastic way to kick start your career and are available in a range of different industries including:

- Automotive
- Bricklaying
- Cabinet Making
- Carpentry
- Electrical
- Engineering
- Hospitality
- Information Technology
- Locksmith
- Landscaping
- Manufacturing
- Office administration
- Painting
- Parks and Gardens
- Plumbing
- Retail
- Turf Management
- Warehousing

Not only do you gain invaluable experience in the work place but on completion of your apprenticeship or traineeship, you will receive a nationally recognised qualification. What's better, you will get paid while you learn.

HOW THE PROGRAM WORKS

After you register, our staff will provide the following free services:

- regular telephone contact
- referrals to apprenticeships and traineeships through Group Training and the Revitalising Dandenong Project
- job search advise

HOW TO REGISTER

Talk to your careers teacher.

Your careers teacher may already receive the MEGT newsletter once a term which includes a registration form.

- Simply complete the registration form and fax it back with a copy of your current resume to 03 9791 4460
- Then one of our staff will contact you about the program and how we can help you

If your careers teacher does not receive the newsletter or you are no longer at school please complete the registration form or contact Youth Initiative Program staff directly on 9791 9529 during business hours (Monday to Friday 9am to 5pm).

Other MEGT services include

- Group Training
- Australian School-based Apprenticeships
- Australian Apprenticeships Centre
- Registered Training Organisation
