

YOUTH INITIATIVE PROGRAM

MEGT has made an exciting move to work with Hales Institute to deliver the Youth Initiative Program (YIP). YIP provides quality training and services to secondary students and has run the MIP program for 8 years. Hales Institute has been delivering a range of courses from Certificate II Level to Advanced Diploma since 1910.

Our programs will assist the delivery of core curriculum subjects such as Work Related Skills in VCAL, Industry and Enterprise and Work Education. With the move to work with Hales Institute we can now also offer short courses to assist students with the transition from school to employment.
