

## Cancel a registered training contract (by all parties)

This form is used to apply to cancel a training contract as per Section 33 of the *Further Education and Training (FET) Act 2014*.

**Note:** Options are available for employers and apprentice or trainees to consider as an alternative to cancellation. These include:

- amending the employment mode of the training contract, for example from full-time to part-time
- amending the training contract to change the qualification
- temporarily or permanently transferring to another employer
- suspending the training contract
- completion of the training contract.

If the employment of an apprentice or trainee has been terminated by the employer, irrespective of whether the parties have signed this form, the FET Act requires the employer and apprentice or trainee to notify the Department of Trade, Employment and Training (DTET) or Apprentice Connect Australia Provider (Provider) immediately if the apprentice or trainee has:

- made an application for unfair dismissal under the *Fair Work Act 2009* (Cwlth), section 394, or
- made an application for reinstatement under the *Industrial Relations Act 2016*, section 317, or
- commenced another proceeding contesting the cessation of employment.
